## INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF MICROLINK SOLUTIONS BERHAD (Incorporated in Malaysia)

#### REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS

#### **OPINION**

We have audited the financial statements of Microlink Solutions Berhad, which comprise the statements of financial position as at 31 March 2017 of the Group and of the Company, and statements of profit or loss and other comprehensive income, statements of changes in equity and statements of cash flows of the Group and of the Company for the financial year then ended, and notes to the financial statements, including a summary of significant accounting policies, as set out on pages 12 to 59.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Group and of the Company as at 31 March 2017 and of their financial performance and their cash flows for the financial year then ended in accordance with Malaysian Financial Reporting Standards (MFRS), International Financial Reporting Standards (IFRS) and the requirements of the Companies Act, 2016 in Malaysia.

#### **BASIS FOR OPINION**

We conducted our audit in accordance with approved standards on auditing in Malaysia and International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **INDEPENDENCE AND OTHER ETHICAL RESPONSIBILITIES**

We are independent of the Group and of the Company in accordance with the *By-Laws* (on *Professional Ethics, Conduct and Practice*) of the Malaysian Institute of Accountants (By-Laws) and the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* (IESBA Code), and we have fulfilled our other ethical responsibilities in accordance with the By-Laws and the IESBA Code.

#### **KEY AUDIT MATTERS**

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the Group and of the Company for the current year. These matters were addressed in the context of our audit of the financial statements of the Group and of the Company as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

#### 1. Impairment assessment of the carrying amount of goodwill

The carrying amount of goodwill on consolidation as at 31 March 2017 amounted to RM18,409,459 as disclosed in Note 5 to the financial statements.

We have focused on this impairment assessment as the process is complex and it requires significant judgements and estimates about the future results and key assumptions applied to cash flow forecasts of the Cash Generating Units (CGUs) in determining the recoverable amount. These key assumptions include forecast growth in future revenues and operating profit margins, as well as determining an appropriate pre-tax discount rate and growth rates.

#### **Audit response**

Our audit procedures included the following:

- Compared prior period budgets to actual outcomes to assess reliability of management's forecasting process and controls;
- (ii) Assessed and challenged the assumptions used in forecasting revenues, operating profit margins and growth rates;
- (iii) Verified pre-tax discount rate used by management by comparing to the market data, weighted average cost of capital of the Group and relevant risk factors; and
- (iv) Performed sensitivity analysis to stress test the key assumptions used in the forecasts.

#### 2. Recoverability of trade receivables

As at 31 March 2017, the Group has trade receivables of RM48,134,981 which include debts that are past due but not impaired of RM32,483,121. The details of trade receivables and its credit risk have been disclosed in Note 13 to the financial statements.

We have focused on the recoverability of trade receivables as it requires a high level of management judgement and the amounts are material.

Management recognised impairment losses on trade receivables based on specific known facts or circumstances or customers' abilities to pay.

#### **Audit response**

Our audit procedures included the following:

- (i) Assessed recoverability of receivables that were past due but not impaired by reviewing the historical bad debt expense, ageing profiles of the counter parties and past historical repayment trends; and
- (ii) Assessed cash receipts subsequent to the end of the reporting period for its effect in reducing amounts outstanding as at the end of the reporting period.

#### INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITORS' REPORT THEREON

The Directors of the Company are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements of the Group and of the Company and our auditors' report thereon.

Our opinion on the financial statements of the Group and of the Company does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements of the Group and of the Company, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements of the Group and of the Company or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### RESPONSIBILITIES OF THE DIRECTORS FOR THE FINANCIAL STATEMENTS

The Directors of the Company are responsible for the preparation of financial statements of the Group and of the Company that give a true and fair view in accordance with MFRSs, IFRSs and the requirements of the Companies Act, 2016 in Malaysia. The Directors are also responsible for such internal control as the Directors determine is necessary to enable the preparation of financial statements of the Group and of the Company that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements of the Group and of the Company, the Directors are responsible for assessing the ability of the Group and of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Group or the Company or to cease operations, or have no realistic alternative but to do so.

#### INDEPENDENT AUDITORS' REPORT (CONT'D.)

TO THE MEMBERS OF MICROLINK SOLUTIONS BERHAD (Incorporated in Malaysia)

#### **AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE FINANCIAL STATEMENTS**

Our objectives are to obtain reasonable assurance about whether the financial statements of the Group and of the Company as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with approved standards on auditing in Malaysia and ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with approved standards on auditing in Malaysia and ISAs, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- (a) Identify and assess the risks of material misstatement of the financial statements of the Group and of the Company, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- (b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Group and of the Company.
- (c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- (d) Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements of the Group and of the Company or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group or the Company to cease to continue as a going concern.
- (e) Evaluate the overall presentation, structure and content of the financial statements of the Group and of the Company, including the disclosures, and whether the financial statements of the Group and of the Company represent the underlying transactions and events in a manner that achieves fair presentation.
- (f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the financial statements of the Group. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the Directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the Directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the Directors, we determine those matters that were of most significance in the audit of the financial statements of the Group and of the Company for the current year and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### 5. GOODWILL (CONT'D.)

(b) Goodwill arising from business combinations have been allocated to the Cash Generating Units (CGUs) of the Group based on the following reportable segments:

|                                  | Group      |            |  |
|----------------------------------|------------|------------|--|
|                                  | 2017       | 2016       |  |
|                                  | RM         | RM         |  |
| Business Performance Services    | 6,287,245  | 6,287,245  |  |
| Distribution                     | 7,486,215  | 7,486,215  |  |
| Services and Systems Integration | 4,635,999  | 4,699,910  |  |
|                                  | 18,409,459 | 18,473,370 |  |

(c) Impairment assessment on the carrying amount of goodwill is performed at least on an annual basis. The Directors have made estimates about the future results and key assumptions applied to cash flow forecasts of the CGUs in determining its recoverable amount.

Recoverable amounts of goodwill for both financial years have been determined based on the value-in-use of the CGU, using the following assumptions:

- (i) Cash flow forecasts based on approved financial budgets covering a five- (5) year period;
- (ii) Pre-tax discount rate of the Group of 6% (2016: 4%) per annum;
- (iii) Forecasted growth rates ranging from 3% to 6% (2016: 3% to 6%) based on past performance of the segment;
- (iv) Terminal value based on the fifth year cash flow without incorporating any growth rate; and
- (v) Projected profit margins based on historical profit margins achieved.

A reasonable change in the assumptions above would not cause any impairment loss on goodwill.

During the financial year, management recognised an impairment loss on goodwill amounting to RM63,911 relating to a subsidiary, Formis Advanced Systems Sdn Bhd which was part of the Services and Systems Integration segment, as management does not anticipate any future economic benefits associated with that goodwill.

#### Sensitivity to changes in key assumptions

#### Discount rate assumptions

The discount rate calculation is based on the weighted average cost of capital which takes into account both debt and equity of the Group. Management has considered the possibility of greater than forecasted discount rate. Based on the sensitivity analysis performed by management, a 10% increase in the discount rate used would not result in any additional impairment.

#### Growth rate assumptions

Management has considered that a possibility of a weaker than the anticipated growth rate which may occur and the effect of bearish future growth performance is not expected to have an adverse impact on forecasts included in the budget, where a reduction in 10% of the growth rate used would not result in any impairment of the balance.

The Group collectively considers factors such as the probability of bankruptcy or significant financial difficulties of the receivable, and default or significant delay in payments by the receivables, to determine whether there is objective evidence that an impairment loss on loans and receivables has occurred. Other objective evidence of impairment include historical collection rates determined on an individual basis and observable changes in national or local economic conditions that are directly correlated with the historical default rates of receivables.

If any such objective evidence exists, the amount of impairment loss is measured as the difference between the financial asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. The impairment loss is recognised in profit or loss.

Trade receivables that are individually determined to be impaired at the end of the reporting period relate to those debtors that exhibit significant financial difficulties and have defaulted on payments. These receivables are not secured by any collateral or credit enhancements.
