- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;
- (c) a circular to shareholders which includes information as may be prescribed by Bursa Securities is issued by the listed issuer for the shareholders' mandate;

There were no late payment charges imposed to the above outstanding receivables as the Board was of the opinion that the above outstanding receivables were part of normal business operations of the Group and are recoverable. In addition, the Management of the Group is of the view that the Related Parties are long term business partners and have sound credit standing.

As at the LPD, an amount totaling RM5,049,857 out of the above amounts due to the MSB Group by the Related Parties has been recovered.

3. RATIONALE AND BENEFITS FOR THE PROPOSED RENEWAL OF EXISTING SHAREHOLDERS' MANDATE

The RRPTs entered into or to be entered into by the Group are in the ordinary course of business and are intended to meet the business needs of the Group at the best possible terms so as to achieve synergistic benefits within the Group. These transactions are likely to occur with some degree of frequency and may be constrained by the time-sensitive nature and confidentiality of such transactions, thus rendering it impractical to seek shareholders' approval on a case-by-case basis before entering into such transactions.

By obtaining the Proposed Renewal of Existing Shareholders' Mandate on an annual basis, the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such RRPTs occur would not arise. This would substantially reduce the time, administrative requirements, and expenses associated with the convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

The Related Parties which are involved in the RRPTs have proven their reliability and expertise in their respective fields. In certain instances, the Related Parties provide the Group the support for its operational needs, thereby enabling greater efficiency and effectiveness in the utilisation of the Group's resources.

4. REVIEW PROCEDURES

To ensure that the RRPTs are undertaken on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders and that they are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies and will not be prejudicial to the shareholders, the Board will ensure that all transactions with Related Parties will only be entered into after taking into consideration the pricing, level and quality of products and support services, and the review procedures as stated below.

The Board has established the following review procedures which are to be carried out for each RRPT:

- (a) Records will be maintained by the Company to capture all RRPTs entered into pursuant to the Proposed Renewal of Existing Shareholders' Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to;
- (b) On a periodic basis, the procedures and guidelines pertaining to RRPTs will be reviewed by the Senior Management of MSB and the Audit and Risk Management Committee to ensure that the terms of the transactions are not more favourable to the Related Parties than those generally available to the public, and are not to the detriment of the minority shareholders;
- (c) Where any person(s) has an interest in the RRPTs to be reviewed, such person(s) shall abstain from deliberation and voting in respect of such transactions;
- (d) Disclosure shall be made in the annual report of a breakdown of the aggregate value of all transactions conducted pursuant to the Proposed Renewal of Existing Shareholders' Mandate during the financial year and in the annual reports for the subsequent financial years during which the shareholders' mandate remains in force. In making such disclosure, a breakdown will be provided of the aggregate value of the RRPTs conducted pursuant to the Proposed Renewal of Existing Shareholders' Mandate during the current financial year, amongst others, based on the following:
 - (i) the type of the RRPTs made; and
 - (ii) the names of the Related Parties involved in each type of RRPT and their relationship with the MSB Group;
- (e) There are no thresholds for approval of RRPTs within the MSB Group. All RRPTs are subject to the approval of the respective head of business units and/or any one of the Directors of the respective companies; and
- (f) At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the MSB Group based on its usual business practices to ensure that the RRPT is not detrimental to the MSB Group and the minority shareholders.

5. STATEMENT BY THE AUDIT AND RISK MANAGEMENT COMMITTEE

The Audit and Risk Management Committee of the Company has reviewed the procedures mentioned in Section 4 above and is of the view that the said procedures are sufficient to ensure that the RRPTs are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The MSB Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner. These procedures and processes will be reviewed annually or as and when necessary.

6. CONDITION FOR THE PROPOSED RENEWAL OF EXISTING SHAREHOLDERS' MANDATE

The Proposed Renewal of Existing Shareholders' Mandate is conditional upon approval being obtained from the shareholders of MSB at the forthcoming 20th AGM.

(i) Kuala Lumpur High Court Civil Suit No.: WA-22NCVC-144-03/2020

Plaintiff: First Solution Sdn Bhd (“FSSB”), an indirect wholly-owned subsidiary of Microlink
 Defendant: Ageqnies (M) Sdn Bhd

FSSB filed a suit against Ageqnies (M) Sdn Bhd (“Ageqnies”) on 2 March 2020. FSSB’s claim against Ageqnies is for the payment of RM1.02 million and interest of 1.5% per month from 17 September 2018 to the date of full settlement premised upon Ageqnies’ failure to pay FSSB the said sum due and owing arising from the delivery of various software licences.

Ageqnies has denied FSSB’s claim on the basis, amongst others, that they had not given the final approval for FSSB to deliver the software licences and that the activation of the software licences was unilaterally carried out by FSSB.

FSSB had on 11 June 2020 filed an application for summary judgment and Ageqnies had on 23 June 2020 filed an application to strike out the suit. Both of the applications aforesaid were dismissed by the High Court on 9 April 2021. At the case management on 21 September 2021, the High Court fixed the matter for trial from 5 July 2022 to 8 July 2022.

FSSB and Ageqnies filed separate appeals against the dismissal of the summary judgment and striking out applications respectively (“Appeals”). At the hearing of the Appeals on 16 June 2022, the Court of Appeal decided that the matter ought to go to trial and dismissed both appeals.

At the request of Ageqnies’ lawyer, the initial trial dates in the High Court were vacated and trial was rescheduled to 17 January 2023 until 20 January 2023. However, these new trial dates were subsequently vacated to 7 to 8 August 2023 and 21 to 22 August 2023, which were thereafter vacated by the High Court again, in order for the High Court to deal with cases that were filed in 2018 and 2019. FSSB’s lawyers has requested and are currently waiting for new trial dates to be fixed by the High Court. The next case management is on 16 August 2023.
