- (b) the shareholders' mandate is subject to annual renewal and disclosure is made in the annual report of the aggregate value of transactions conducted pursuant to the shareholders' mandate during the financial year where the aggregate value is equal to or more than the threshold prescribed under Paragraph 10.09(1) of the Listing Requirements;

No.	Nature of transactions	Amount of Outstanding RRPTs Receivables (RM)			
		≤ 1 year	> 1 to 3 years	> 3 to 5 years	> 5 years

2	Provision of administrative and management support, training and other related services by MSB Group to Omesti Group	223,565	-	-	-

There were no late payment charges imposed to the above outstanding receivables as the Board was of the opinion that the above outstanding receivables were part of normal business operations of the Group and are recoverable. In addition, the Management of the Group is constantly following up with those receivables on the outstanding amount and is of the view that the Related Parties are long term business partners and have sound credit standing.

3. RATIONALE AND BENEFITS FOR THE PROPOSED RENEWAL OF EXISTING SHAREHOLDERS' MANDATE

The RRPTs entered into or to be entered into by the Group are in the ordinary course of business and are intended to meet the business needs of the Group at the best possible terms so as to achieve synergistic benefits within the Group. These transactions are likely to occur with some degree of frequency and may be constrained by the time-sensitive nature and confidentiality of such transactions, thus rendering it impractical to seek shareholders' approval on a case-by-case basis before entering into such transactions.

By obtaining the Proposed Renewal of Existing Shareholders' Mandate on an annual basis, the necessity to convene separate general meetings from time to time to seek shareholders' approval as and when such RRPTs occur would not arise. This would substantially reduce the time, administrative requirements, and expenses associated with the

convening of such meetings, without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Group.

The Related Parties which are involved in the RRPTs have proven their reliability and expertise in their respective fields. In certain instances, the Related Parties provide the Group the support for its operational needs, thereby enabling greater efficiency and effectiveness in the utilisation of the Group's resources.

4. REVIEW PROCEDURES

To ensure that the RRPTs are undertaken on transaction prices and terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders and that they are conducted at arm's length and on normal commercial terms consistent with the Group's usual business practices and policies and will not be prejudicial to the shareholders, the Board will ensure that all transactions with Related Parties will only be entered into after taking into consideration the pricing, level and quality of products and support services, and the review procedures as stated below.

The Board has established the following review procedures which are to be carried out for each RRPT:

- (a) Records will be maintained by the Company to capture all RRPTs entered into pursuant to the Proposed Renewal of Existing Shareholders' Mandate to ensure that relevant approvals have been obtained and review procedures in respect of such transactions are adhered to;
- (b) On a periodic basis, the procedures and guidelines pertaining to RRPTs will be reviewed by the Senior Management of MSB and the Audit and Risk Management Committee to ensure that the terms of the transactions are not more favourable to the Related Parties than those generally available to the public, and are not to the detriment of the minority shareholders;
- (c) Where any person(s) has an interest in the RRPTs to be reviewed, such person(s) shall abstain from deliberation and voting in respect of such transactions;
- (d) Disclosure shall be made in the annual report of a breakdown of the aggregate value of all transactions conducted pursuant to the Proposed Renewal of Existing Shareholders' Mandate during the financial year and in the annual reports for the subsequent financial years during which the shareholders' mandate remains in force. In making such disclosure, a breakdown will be provided of the aggregate value of the RRPTs conducted pursuant to the Proposed Renewal of Existing Shareholders' Mandate during the current financial year, amongst others, based on the following:
 - (i) the type of the RRPTs made; and
 - (ii) the names of the Related Parties involved in each type of RRPT and their relationship with the MSB Group;
- (e) There are no thresholds for approval of RRPTs within the MSB Group. All RRPTs are subject to the approval of the respective head of business units and/or any one of the Directors of the respective companies; and
- (f) At least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities. Where quotation or comparative pricing from unrelated third parties cannot be obtained, the transaction price will be determined by the MSB Group based on its usual business practices to ensure that the RRPT is not detrimental to the MSB Group and the minority shareholders.

5. STATEMENT BY THE AUDIT AND RISK MANAGEMENT COMMITTEE

The Audit and Risk Management Committee of the Company has reviewed the procedures mentioned in Section 4 above and is of the view that the said procedures are sufficient to ensure that the RRPTs are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders.

The MSB Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner. These procedures and processes will be reviewed annually or as and when necessary.

6. CONDITION FOR THE PROPOSED RENEWAL OF EXISTING SHAREHOLDERS' MANDATE

The Proposed Renewal of Existing Shareholders' Mandate is conditional upon approval being obtained from the shareholders of MSB at the forthcoming 21st AGM.

7. FINANCIAL EFFECTS

The Proposed Renewal of Existing Shareholders' Mandate does not have any effect on the issued and paid-up share capital and Major Shareholders' shareholdings of MSB and is not expected to have any material effect on the consolidated earnings and NA of MSB.

8. INTERESTS OF THE DIRECTORS, MAJOR SHAREHOLDERS AND PERSON CONNECTED WITH THEM

The direct and indirect shareholdings of the interested Major Shareholders, namely OHB and Omesti ("Interested Major Shareholders") in MSB as at the LPD are as set out below:
